THE SOLUTION FOR BEST VIEWING ANGLE

NewStar mounts offer the maximum flexibility for your flat screen. Change the height, depth and viewing angle of your flat screen in a snap. Maximum freedom of movement is only a few steps away.

Save space with the fixed mounts or adjust the depth and height using the advanced mounts.

The VESA hole-pattern allows easy and quick installation to any wall, ceiling or desk.

HOW TO MOUNT A FLAT SCREEN

The VESA standard is a worldwide method for the assembly of flat screen monitors and TV's. NewStar flat screen mounts comply with this hole-pattern allowing easy installation of your screen. The VESA hole-pattern contains four mounting holes on the back of the flat screen allowing any NewStar wall-, ceiling or deskmount to be installed.
